What is QUARRYCAST™?

Our specially developed QUARRYCAST™ material is made from a unique blend of Volcanic Limestone™ and high-performance resins.

Volcanic Limestone™ is Victoria + Albert's name for the very special white rock that is perfect for making baths and basins. It is formed when the elemental forces associated with liquid magma act upon surrounding soft, chalky limestone. The immense heat and pressure from the magma transforms the neighbouring rock into a new material made up of incredibly hard strands.

We blend milled Volcanic Limestone™ rock with high quality resins to bind these strands into a complex 3D matrix. The finished result is QUARRYCAST™ – a world class stone composite that delivers unrivalled strength, durability and beauty.

What are the benefits of QUARRYCAST™?

Scratch and stain resistant:

The naturally white surface is incredibly durable, and resistant to hair dyes and bath oils.

Strong:

QUARRYCAST™ is solid all the way through – more than twice as hard as acrylic with no creaking or flexing.

Warm:

Warm to the touch with high insulating properties, keeping your bath water warmer for longer.

Easy to clean:

The surface is easy to wipe clean.

Lightweight:

Surprisingly lightweight, the average weight of our baths is just 72kg.

UV stable:

Baths and basins can be installed outdoors without compromising the material strength or colour.

Guaranteed:

25-year consumer guarantee, 8-year commercial guarantee*.

QUARRYCAST™ SW

Gloss

QUARRYCAST™ SM

Matt

QUARRYCAST™ finishes

Our baths and basins are available in two finishes; Gloss and Matt. Both finishes are cast in our signature QUARRYCAST™ material, which is naturally warm to the touch, reassuringly durable, and guaranteed for 25 years. And what's more, they can be personalised with our selection of RAL colours.

QUARRYCAST™ SW

Gloss

Our signature finish is glossy on the inside and outside. Hand polished to produce a beautifully smooth sheen, our gloss finish has been a market leader for over 25 years. Every bath and basin across our portfolio is available in our Gloss finish.

QUARRYCAST™ SM

Matt

Victoria + Albert's Matt finish is different. Made in the cast, not by coatings or glaze, it is '100%' Matt. It has a velvety feel, gentle against the skin. Our Matt finish is available across a selection of our baths and basins.
